

Vanity Bar Tube

Product Specifications

TCP's LED Vanity Bar Tube combines a modern aesthetic with long-lasting illumination for both residential and commercial applications. The vanity has an integrated, color-selectable LED which can be set at 2700K, 3000K or 4100K. The sleek design, featuring brushed nickel and durable white acrylic, comes in 24" and 32" widths to fit a variety of spaces.

Reasons to choose the Vanity Bar Tube from TCP

- Color selectable CCT (2700K/3000K/4100K)
- Long-lasting, integrated LED - no bulbs to change
- Available in two popular sizes: 24" and 32"
- Brushed nickel powder coated steel with white acrylic tube
- ETL listed for damp locations (indoor)
- Energy Star® Certified

Ideal Applications

- Residential
- Hospitality
- New Construction
- Remodeling
